

MRS FLORIST
TUNBRIDGE WELLS

Living overseas and a death in my family I contacted Mrs Florist in Tunbridge Wells and asked if they could possibly make a Butterfly for my Brother's coffin. There was little time but THE MOST BEAUTIFUL flower Butterfly was made and delivered on time. The whole experience from my initial contact was exceptional and there is no praise too high for the Staff and Service. Thank you all so very much. It meant a lot to me.

Ordered flowers for a funeral. They were absolutely beautiful. I was very pleased with them. Ordered on line, but had to telephone the shop with a query. The assistant I spoke to was very helpful & friendly. Very good value & wonderful service. Will definitely use this company again when I need to send flowers

Thank you so much for such beautiful flowers for my mother's funeral. Everyone commented as no one had seen a garland of pale pink roses hung around a casket before, and it made it look so pretty and far less "funeral", if that makes sense. Friendly, efficient service and such lovely flowers. Mum would have loved them.

My family and I have used Mrs Florist on numerous occasions, most recently for my Mothers funeral, once again they provided top quality flowers, very professional service along with excellent value for money. Would highly recommend.

Our funeral flower arrangement was so beautiful - more than I was hoping for! The staff gave me lots of time to explain what colours I would like and the style and also made their own suggestions. It was personal and my family were really pleased with it - perfect! Thank you very much. I would thoroughly recommend using this florist.
